RAFFLE of the MONTH

Blue Acorn Kraft Tie Book £6.99 with Brush Pen Set £12.99

Blue Acorn kraft paper tie sketchbooks are a key resource in any crafters/artists portfolio of materials. Filled with 40 sheets of lovely 200gsm kraft card and bound with a 1inch twin wire spiral, these sketchbooks are perfect for scrapbooking, photography, collage, printing and more. Each book has a ribbon fastening to keep work safe and secure. The strong 'paper' texture makes it an interesting surface to draw and sketch on, paint on or for creating collages. The kraft board covers are very strong and will keep work safe and give a flat surface to lean on. Size A5.

Clean Color Real Brush is a brush type watercolour pen, so it can be used in a wide range of applications such as illustration, design, lettering, and Manga. Because it is a water-based dye ink, you can blur it with water or mix with other real brush colours or blender. Can be used for lettering, illustrating and dot drawing, set of 4 colours.
