

Help Wanted for Art in the Precinct

An appeal is made to members to offer their help in erecting the stands for Art in the Precinct. This will be on Thursday August 22nd from 8.30 to 11.00am.

Volunteers meet at the top of Newport St. We will also need volunteers to help dismantle the stands on the Monday afternoon. Please contact Lesley if you are available or need more details.

Floor Easels for Sale

We also have a number of floor easels which are no longer used and are taking up valuable space. Therefore we have decided to sell them off for a nominal sum to anyone that might be interested. If this appeals to you ask any committee member for details.

Collect your Artwork

This is a final reminder to any members who have not yet collected their artwork from the back room. You will have one more month to retrieve them and then they will be removed and the frames sold to members, proceeds will go to the Art Circle.

Sam & Judith's 50th Wedding Anniversary

A very special occasion was enjoyed at a recent workshop when Sam and Judith Leigh celebrated their 50th wedding anniversary. Sam is a long standing member of the circle and Judith has helped out on many occasions. And her cakes are world famous!

Ted Holden's shed Gallery

Short of hanging space? Then do as member Ted Holden and hang your paintings on your shed! Ted's paintings are acrylic on slate so should be able to stand up to the British weather for some time.

Secretary's Challenge

The winner of the July challenge was Joan Warburton, chosen by Elise Hendry at her demonstration. Joan's winning entry is shown here. Well done Joan, now to the next challenge.

The September challenge is to re-produce this sunset scene using any medium of your choice. The winner will be chosen by Debra Jones at her September 10th demonstration, so entries in by then please. Usual rules apply, the winner will receive a £10 cash prize.

Upside down

No, I have not made an error by printing these images upside down, because that's exactly how Art Circle member June Catterall drew them! Now that's pretty amazing, try it sometime and you'll not find it easy.
