Lucky Winner

Cath Baxendale was the winner of the first football card raffle choosing West Ham United. Her prize was a selection of artists materials in a presentation box worth £90 donated by our sponsor Ken Bromley. In total £47 was raised for club funds. So if you want to win it you have to be in it. Further fundraising football cards will be available soon so don't miss your chance. You could be a winner just like Cath.

New Exhibition at Bolton Art Gallery

Joseph Farington Denbigh Castle 1791 Watercolour

From stunning eighteenth century watercolours to contemporary photographs, this exhibition explores our relationship with landscape and its representation in art. The exhibition features work by some of Britain's most celebrated landscape watercolourists (Paul Sandby, Francis Towne and Joseph Farington) as well as modern and contemporary photographers (Thomas Shires, Humphrey Spender and John Kippin). The exhibition is in the museum's temporary art gallery which is in the basement of the building on Le Mans Crescent. The exhibition runs until summer 2018.

New books for the members library

If there is an Art book that you would like to read and we haven't got it in the Library the committee would like to know and will take steps to buy the book for the benefit of all the members, just ask a committee member next time you are at a workshop or demo. Or alternatively send an email to the editor, hallid47@talktalk.net.

Exhibition news

Over the Christmas period four paintings were sold at Bolton Royal, so if you haven't submitted for this exhibition don't miss the next opportunity. Details will be posted at the appropriate time.
