

New Year Dinner 2018

An enjoyable meal and afternoon entertainment was enjoyed by everyone who attended this years Annual Dinner held at the Masonic Halls. After the main course was finished Frank organised a raffle for a wet box pallette, sponsored by Ken Bromley, which Paul Whittaker won. This was followed with a quiz where the first prize was a bottle of wine and then a game of stand up bingo for a box of chocolates. The occasion was also, by chance, long standing member Ted Holden's 90th birthday and he and his wife enjoyed the birthday cake bought for him by the Art Circle.

Giving the quiz plenty of thought
