## Collection of Artworks

There are a number of artworks that have been stored in the backroom for some considerable time. So many in fact that we are running short of space to keep them so members are asked to store them for no more than 3 months. Any artworks that are not collected after this period of time will be sold and the proceeds will go to the club coffers.

## New DVD's

On numerous occasions June has been asked if we are going to get some new DVD's for the library. If any member recommends a certain title then June will order it for the benefit of everyone. Please tell her which DVD's to get and she will get them. It's as simple as that.
