Secretary's Challenge

The April challenge is to produce a picture using pastels in the style of Vic Bearcroft. The picture should be of a wildlife subject and not necessarily the one shown here. You can, if you wish, select a different medium. Vic will choose the winner at his demo on 9th April, so entries in by then please. Usual rules apply.

Art on the Web

Zaria Forman produces the most amazing images of seascapes in ultra high definition. She documents climate change with pastel drawings, travelling to remote regions of the world to collect images and inspiration for her work, which is exhibited worldwide.

As you can see, she creates **HUGE** pictures!

Caran 'Ache Demo

The last time I looked there were 16 names on the list, we need at least 20 to make this viable.

Trip to Ilkley in August

The list is on the notice board at Highfield gathering names for this day out. It might seem early but Frank would like an idea of those interested. If you can't get to Highfield call him on **07411431007** or email him at ffindlow@icloud.com
