# WE HAVE NEW PREMISES!

Our new home is the New Bury Centre, Buckley Lane, Farnworth run by Bolton College. Less than 1 mile from Highfield and approx 3 mins by car. All on the ground floor with total access for everyone, including wheelchairs and mobility scooters, and includes disabled and standard toilet facilities. The hire costs are less than Highfield so there is a substantial cost saving for the club. There is plenty of car parking on site and adequate storage for our needs. It is warm and clean with a good room for us to use. A cafe is on site where you could have lunch before the Monday and Wednesday workshops. We can move Monday and Wednesday workshops during November and the Thursday evening from week commencing 5th December. **SEE NOTICE BOARD AT HIGHFIELD FOR UPDATES.** We will organise moving all our furniture and belongings between those dates. I hope you will support this move as it will make it possible for all members to access the workshops, many of whom are finding the stairs very difficult, or impossible to manage now. If you have any questions, you can discuss them with me or other committee members.

I am looking forward to the move to make life better for all our members,

Best wishes,  
Lesley Taylor
