RAFFLE of the MONTH

CANSON A5 Professional Drawing Book & Blue Acorn Sketching Pencils

The winner of the June Raffle for the Beginner's Guide to Drawing Portraits book was Gill Wilkins

Canson 1557 is an acid-free, bright white paper with a light grain. The neutral and subtle surface is ideal for sketching and drawing with dry media. The paper is designed for use with graphite, pencil, charcoal, and marker pens. It is ideal for use with all forms of graphite because the surface grain retains pigment and the resistant quality of the paper allows for unlimited shading and repeated erasing. Canson 1557 is also suitable for watercolour, gouache, and pen and ink.
