

Artworks up for grabs

As many of you may know Roland Arthur has been a member of Bolton Art Circle for many years. He has accumulated about 40 portraits of well-known Film and TV stars and many portraits of cats and kittens, dogs and puppies and others. He is now wishing to off-load all his artworks and, in doing so, raise money for Charities, one of which is Bolton Samaritans. The others are: Ukrainian Refugees, Triangle Church (Heaton), Salvation Army, (Bolton Citadel), Alzheimer's Society, Bolton Methodist Mission (Victoria Hall). The pictures are all framed and no reasonable offer will be refused. By coincidence, Bolton Lever Rotary Club are holding an Arts and Crafts Fair at the Triangle Church Community Church, New Church Road, Bolton, BL1 5QP on Saturday, 15 October 2022 from 11am to 4pm and he is aiming to display most of his works there. Roland says "I do not want any monies for myself, it will all go to any registered charity of the buyer's choice. The pictures are all framed and no reasonable offer will be refused. I should also say that I would be grateful for any help on the day from the fitter members of the Circle". If you can't make it yourself tell your friends about this opportunity to buy superb portrait and pets artwork!

RAFFLE of the MONTH

In partnership with our sponsors Ken Bromley Art Supplies we will be offering a draw each month of art materials. To give all members a chance to enter, tickets will be sold at Monday, Wednesday, and Thursday workshops and demos during the demo season. October is the last demo this year so it is intended to make the draw then. After October until March the draw will be on the last workshop of the month.

The October draw is for a Bristol board drawing block RRP £13 and a set of 3 Derwent drawing pens RRP£8.49

Winsor & Newton Bristol Paper has an extra smooth surface with a bright white finish. This surface is strong, allowing for repeated working and erasing. The whiteness of the paper means marks and lines will be clear and colours will be vivid. This heavyweight surface is ideal for use with pen, fine liners and ink. It is also recommended for use with pencil and suitable for use with marker pens. This surface is popular for design, fashion and illustration. Size A4 20 sheets. RRP £13.00

A classic drawing pen, with smooth free flowing lines the Derwent Line Maker features a high quality Japan nib that glides effortlessly over the page, producing smooth and accurate lines. Filled with top quality water based opaque and lightfast pigment ink, the tone is pure, rich and strong. Set of 3. RRP £8.49
