Artist of the Month

Every now and again we see work that can only be described as absolutely fantastic. One such artist is Samantha French from New York city. As part of a regular feature I would like to introduce, Samantha is my first Artist of the Month. She works in oils and gouache and focuses on swimmers underwater and above. The treatment of colour, light and reflections is superb.

Plea from Cath Cath Baxendale, exhibition officer, has asked for more members to submit their work for exhibiting, especially if it's your first time.
